Subject: County won't stand against uranium mining | Hot Springs | rapidcityjournal.com

Flag: Follow up

Hello again.....

Was trying to read an article about Powertech having to conduct more tests , but was prohibited ;
That was September 18,17.

While sear hung for that article I found this.....

Again towards the end is a mention of findings from Mr. Stone of the school of mines; don't know if you
have been able to contact him....

Regards,
